ABOUT US

Since 1980, a private factory engaged in the production of "Sinks" started its production under the "SINKON" brand within Simsek Group AS in 2017. With its new factory and team, Sinkon has taken a significant step towards becoming a leading brand in the sink sector.

"Simsek Reklamcılık", having reached a leading position in the sign letters sector since 2009, merged under the name of Simsek Group AS in 2017 together with the Sinkon brand, becoming a company under a single roof.

Simsek Group AS aims to always stay one step ahead in becoming the leader of its sector by adapting to contemporary technologies and conditions. Firmly committed to commercial ethics, Simsek Group AS is steadily progressing towards becoming a global brand with its Sinkon and Simsek Reklamcılık brands.

PRODUCTION FACILITY

Our facility boasts a state-of-the-art production line housing the latest technology machines for efficient manufacturing. With both a handmade sink production line and a pressed sink production line, we guarantee precision and quality in every sink we produce.
